## BOOK SYNOPSIS

With text blocks hand-inked on the page by Anne Carson and her collaborator Robert Currie, *Antigonick* features translucent vellum pages with stunning drawings by Bianca Stone that overlay the text. Anne Carson has published translations of the ancient Greek poets Sappho, Simonides, Aiskhylos, Sophokles and Euripides. *Antigonick* is her first attempt at making translation into a combined visual and textual experience. Sophokles luminous and disturbing tragedy is here given an entirely fresh language and presentation. Thoroughly delightful."
