## BOOK SYNOPSIS

Copper Ashcroft is an accomplished DANu witch, but the magic she wields is a potent force—strong enough to hurl her into a mysterious Otherworld when a spell backfires. Before Copper can escape, another being is pulled into her realm—Tiernan, a powerfully virile Tuatha DDanann warrior. Blond, blue-eyed, and shamelessly seductive, Tiernan could be Coppers savior...and his touch sets her body on fire. Like others of his kind, Tiernan stands alongside the DANu witches to battle the demons of the Underworld. Obligation to his cause and his people cautions against any entanglement with Copper, yet each second spent with this beautiful, uninhibited woman stirs an insatiable hunger. Desire explodes into carnal bliss, but the visions that haunt Coppers dreams are growing stronger, and they foretell a terrifying evil waiting to be unleashed... Saving the city will take more than brute strength...more than witchcraft. Only together can Copper and Tiernan find a way to overcome the dark forces—and seize a passion that has bewitched them both.

**BY MAGIC ALONE MAGIC SERIES BOOK 4** - Are you looking for Ebook By Magic Alone Magic Series Book 4 ? You will be glad to know that right now By Magic Alone Magic Series Book 4 is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
