BOOK SYNOPSIS

The disappearance of the spaceship Ishiguro twenty-three years ago devastated the global space program and set back exploration for a generation. Now, thanks to the tireless efforts of twin brothers Mira and Tomas Hyvonen, the program has been resurrected. Spearheading a new age of human discovery, the brothers also hope to solve the mystery behind the Ishiguros disastrous mission. Mira and Tomas are determined to make their trip successful. They have arranged everything down to the smallest detail. Nothing has been overlooked. They dont know that in space, the devil isnt always in the details . . . and nothing goes according to plan.
