BOOK SYNOPSIS

Many English language learners (ELLs) require extra support to become successful writers. This book helps teachers understand the unique needs of ELLs and promote their achievement by adapting the effective instructional methods they already know. Engaging and accessible, the book features standards-based lesson planning ideas, examples of student work, and 15 reproducible worksheets, rubrics, and other useful materials. It describes ways to combine instruction in core skills with ample opportunities to write and revise in different genres. Invaluable guidance is provided for assessing ELLs writing development at different grade levels and language proficiency levels. This book will be valuable for teachers in general education and ESL classrooms; literacy specialists and coaches; graduate students in literacy and ESL programs. It will also serve as a text in graduate-level courses such as Writing Instruction, Teaching English Language Learners, and Teaching English as a Second Language.
