BOOK SYNOPSIS

Strategic alliances are becoming increasingly important as a long-term response to the move towards globalization of businesses, and to their need to learn and adapt quickly, gain access to new markets, and diffuse new technologies. In this comprehensive informative and practical text the authors develop: An analysis of over 30 alliances in the US, Japan and Europe. A blueprint for successfully forming and implementing an alliance. Practical case histories of nine successful and unsuccessful alliances which highlight benefits and drawbacks. Highly successful in hardback, this book is now available in paperback for undergraduate and MBA students of corporate strategy and international business.
